

Advanced Level Entry Master of Family & Systemic Therapy

Enhance your clinical outcomes with complex human systems

An opportunity for entering a fast-track program to immerse yourself in advanced systemic practices that will significantly upgrade your therapeutic treatment skills. Limited spaces available for 2nd Year entry into a 3-year AAFT accredited Masters of Family & Systemic Therapy (MFST) program through Williamsroad Family Therapy Centre, in partnership with Australian Catholic University.

This leading edge training program is specifically designed for experienced professionals who have completed some training in family therapy and are currently working with more complex families and want to bring the current research into their practice. The training provides a high impact learning where Masters students learn research informed and evidence based practices and participate in case-based research in a real world setting. The focus is on supporting participants to refine the quality of their practice and learn the use of advanced therapeutic processes such as Open Dialogue, Mentalisation, reflective teams, self-reflection and focused deliberate practice of systemic conceptualisation, relational formulation, collaborative treatment planning, client feedback and treatment outcome measures.

Situated in Melbourne, the 3-day intensive format makes it especially suitable for those in full-time employment, while the combination of live and virtual supervision allows regional, interstate and international participants to be mentored with their own clients.

Join us for a FREE 45-min PD, “How best to develop skill and expertise in Family & Systemic Therapy”, followed by a short MFST program overview and information night. Drinks and light refreshments will be served.

Thursday, 8 November, 7:00 – 8:30 pm at
Williamsroad Family Therapy Centre,
298 Hawthorn Rd, Caulfield VIC 3152.
